Dalzell partners with Cancer Treatment Centers of America

Chicago, IL Jun 2006 – Kim Dalzell, PhD, RD, LD is scheduled to begin delivering a series of nutritional lectures workshops in the Chicagoland and surrounding Midwest region as a spokesperson for Cancer Treatment Centers of America.

“Cancer Treatment Centers of America knows that good nutrition is one of the most powerful tools you have to prevent and fight cancer ,” says Dalzell, “and I’m proud to be affiliated with their mission to educate the community about health options.”

Cancer Treatment Centers of America is a premier, national network of cancer treatment facilities that specialize in late-stage cancer treatment. They support the whole person—body, mind and spirit—by offering state-of-the-art medical care in conjunction with safe, alternative therapies.

Kim Dalzell, PhD, RD, LD is president of NutriQuest, Inc., an information and education company dedicated to bridging the gap between conventional medicine and natural healing alternatives. For over a decade, Kim has helped thousands of cancer patients through her comprehensive nutritional programs. She is a sought after speaker in the United States, an international nutrition consultant and author. Learn more about Kim at
